Eric Lamar Stanley's SSN was on Jeff Dahmer's confession

How did Eric Lamar Stanley live for 9 years with a serial murder conviction attached to his SSN?

He didn't.

The guilty pleas Jeff Dahmer allegedly signed **don't exist**. We have this in writing from the Wisconsin Circuit Court.

This is why Eric Lamar Stanley was able to conduct his business for nine years without any problems. **Jeff's convictions in Wisconsin aren't real.**

# The Milwaukee Police knew this was not Jeff Dahmer's Social Security Number

The Milwaukee Police knew this wasn't Jeff Dahmer's Social Security Number because the FBI told them. You can verify this for yourself by going to the [FBI Vault](#):

JEFFREY L. DAHMER;  
OLIVER LACY - VICTIM (DECEASED);  
UNKNOWN SUBJECTS - VICTIMS (DECEASED);  
KIDNAPPING - HOMICIDE

The St. Louis Division of the Federal Bureau of Investigation (FBI) was able to obtain the Military records in regards to JEFFREY LIONEL DAHMER, date of birth May 21, 1960; Social Security Account Number 284-60-5333, and the records reflect the following:

BIRTH CERTIFICATE:

JEFFREY LIONEL DAHMER was born on May 21, 1960 at Evangelical Deaconess Hospital, 2357 South 57th Street, West Allis, Wisconsin; he was born to LIONEL HERBERT DAHMER, whose age was listed as 23 years and whose occupation was listed as a student at Marquette University, and ANNETTE JOYCE (FLINT), whose age was listed as 24 years, and that this was their first child.

FBI Vault (Jeff Dahmer) Part 2, page 53

A photocopy of DAHMER's Social Security Card indicates that his correct Social Security Account Number is 284-60-5333.

FBI Vault (Jeff Dahmer) Part 2, page 54

The FBI corresponded with the Milwaukee Police and provided them with this data which included Jeff Dahmer's correct Social Security Number. The above document dated July 25, 1991, proves this.

If you look at the confession, you'll see that all the reports about Jeff Dahmer's "victims" were compiled on July 29th, *after* the FBI told the Milwaukee Police the was incorrect:

The document below, also from the FBI Vault, shows the Milwaukee Police already knew about Jeff Dahmer's service in the Army (and Jeff's SSN is correct in all Army documents), but they still wrote the wrong SSN:

Jeff Dahmer - incorrect Social Security Number

So, this incorrect Social Security Number wasn't a typo. This was a **DELIBERATE** by the Milwaukee Police and whatever other entity put on this show. The incorrect SSN was a completely different number that belonged to someone else, someone who had that number until he died in 2000.

Every time I read more documentation as to why Jeffrey was not the cannibalistic predator the portrayed, I wonder why Jeffrey didn't set the record straight. The evidence that you have presented is convincing. Why has no one else noticed? Baffling.

Thanks for your efforts and information.

Yet more damning evidence that this was a corrupt fake news story. The paper trail was astonishingly bad.
