Lionel Dahmer signed a movie contract barely **4 months** after Jeff Dahmer's "arrest" and over **2 months** before the "trial" started.

*'Enclosed please find a Blue Andre Productions Inc. check #2288 in the amount of \$2,000 representing renewal of the Agreement between us signed 11/20/91.'*

*'Enough business talk. Let me just say what a pleasure it has been working with you and how much I look forward to our future endeavors together.'*

Notice the sender's name is Ed Gernon, the person named on Jeff Dahmer's [visitat list](#)

We cannot see any such production listed in the IMDb profiles for Ed or Blue Andre. Must have been pulled.

If this had been a real case, would Lionel Dahmer have signed a movie contract two months before the trial even started?

No parent in their right mind would do this, it would be the last thing on their minds in such a situation. Another very telling find.
