Now that we know all about the [Archdiocese of Milwaukee's connection to this 'killer' show](#) and the [absence of any signed guilty pleas](#) for the 1991 case, let's take a look at Jeff Dahmer's alleged 1988 conviction for supposedly molesting Somsack Sinthasomphone.

Let's compare Jeff's alleged conviction to Father Peter Burns' actual conviction for second degree sexual assault against an underage male. Father Peter Burns committed this offense in 1988. They allege Jeff committed the same exact offense in 1988 as well. They claim Jeff committed the offense against

Somsack Sinthasomphone, a boy Father Peter Burns, convicted pedophile, knew (Here's a [104 page PDF](#) containing more information about Father Peter Burns.)

Because of what Jeff Dahmer allegedly did to Somsack, the Sinthasomphone fam was able to [sue the City of Milwaukee](#) and receive \$850,000.

We also know that most of the key players in this story were [connected to the Archdiocese of Milwaukee](#), which was drowning at the time in lawsuits related to pedophile priests:

- DA McCann was a close friend of Archbishop Rembert Weakland.
- Gerald Boyle was representing the pedophile priests.
- The assistant DA [Gregory O'Meara](#) went on to become a Catholic priest.
- The two dismissed police officers assisted Gerald Boyle in his defense of the pedophile priests.

The Archdiocese's problem with pedophile priests was so bad they had to eventually file bankruptcy.

Did Jeff Dahmer's alleged 1988 "conviction" save the Archdiocese of Milwaukee an \$850,000 lawsuit stemming from what Father Peter Burns did to [Somsack Sinthasomphone](#)?

There's no evidence Jeff ever lived at the address where this alleged sexual assault against Somsack Sinthasomphone took place. Ancestry.com lists all Jeff's addresses going back to his family home on Bath Road in Ohio.

We've asked for the mugshots for Jeff's alleged 1988 case and were refused. This undoubtedly why you can't find them anywhere online.

We also asked the County Clerk in Milwaukee for information documenting a preliminary hearing, an arraignment, or grandma Dahmer signing a signature bc All they have to show me is highlighted in yellow. Looks like someone created th minimum to fabricate the case:

Re: Records requested

Per your request, the following information is available:

Defendant(s) name: Jeffrey Lionel Dahmer
DOB: 05/21/1960
Case number(s) 1988CF882515
Document(s): Initial Appearance Transcript, Sentencing Transcript &
Judgment of Conviction

Note that they don't have any record of someone signing a signature bond for Jef According to Lionel Dahmer's book, "A Father's Story", Jeff's grandmother paid bail:

Upon hearing this news, I was outraged, even though by then, I had ceased to be surp by anything Jeff might do. In any event, I only remember going through the necessary moti order to ensure that Jeff would get whatever he needed in his current situation. I found an att to defend Jeff, and made the necessary arrangements for my mother to make his two-thou dollar bail.

A few days later, Jeff was released. Once again, he looked as he had so often on such occa —embarrassed, ashamed, deeply depressed.

In contrast, the court shows that Father Peter Burns paid \$10,000 bail for the san offense. This information is not available for Jeff Dahmer:

I'm new to your substack and substack in general, but I had to join once I started reading you. I started from the beginning, but I just had to make a comment now.

I'm only vaguely familiar with the official narrative of this case, as I was a young child when it happened. Yes, I saw the Netflix "documentary/retelling," but I didn't start doing my own research on past events until this year. From what I've been finding in my own studies, I don't believe anything the mainstream media touts anymore. As soon as I saw what your posts (stack? I don't know where here, yet) are about, I just shook my head and went, "it probably WAS a psyop!" Not everyone accepts the truth.

There had to have been a reason for them to fabricate such a lie. I am sold now because of this. Everything before this has been eye opening as well. I'm excited to see what else you have to say.

Great job!
