

The Time on the Wall Clock in Jeff's Apartment

Was the "crime scene" photo taken before the arrest?

A new member on the [subreddit](#) (sar87tta) has pointed out something curious about the wall clock in Jeff Dahmer's apartment. She wrote:

"T. Edwards claim he has flagged down the police at 11:25 pm ... But why the clock in Jeff's bedroom (in the picture of the alleged crime scene) says 11.13 if that picture was taken AFTER the arrest? "

Indeed.

In fact, Jeff Dahmer's Confession states that Tracy Edwards flagged down a pass police car around 11:30 PM.

So, assuming the clock wasn't broken, who took the photo? Did Jeff Dahmer pose to take the photo himself right before the show started? According to the news, he removed the blue barrel the night of the arrest.

INVESTIGATION NARRATIVE

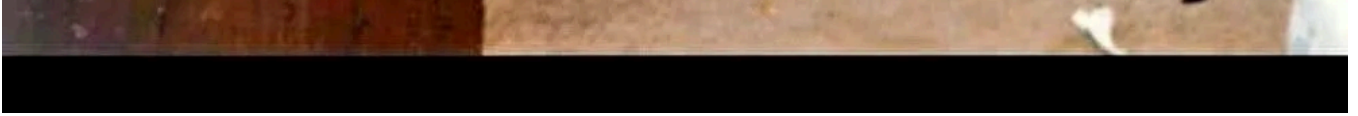

On Mon., 7/22/91, at approximately 11:30PM, officers responded to a call for help from a citizen who directed them to an apartment at 924 N. 25th St., Apt. #213. Upon arrival of the officers on Sq. 31, they observed various photographs in the apartment, depicting dismembered bodies. When they opened the refrigerator, the officers observed the dismembered head of a human being inside. The suspect was subsequently placed under arrest and admitted this offense.

Report per Det. Joseph NOWICKI.
