

THE DAHMER CASE

DEC 02, 2023

We knew there was something fishy about Jeff Dahmer's [1988 arrest for supposedly molesting Somsack Sinthasomphone](#). We couldn't find any evidence that he ever lived in the apartment where this happened.

Well, we finally found a long list of the past tenants at 808 N. 24th Street, and as expected, Jeff Dahmer's name isn't on the list during that time period.

Guess who's name is, though?

E. Michael McCann, the DA who prosecuted Jeff Dahmer in 1991.

A little background on E. Michael McCann...

Back in 1982, McCann [refused to reissue homicide charges](#) against three white police officers who were involved in the death of a young black suspect who was *falsely accused of rape*.

McCann was also a close friend of the gay Archbishop Rembert Weakland, the guy who stole \$450,000 from the Archdiocese so he could pay his **male lover** to keep his mouth shut about their affair.

...the D.A. looked conflicted when it came to prosecuting archdiocesan priests accused of sexually abusing minors.

Here's some information about how E. Michael McCann didn't want to prosecute pedo priest who molested over 200 boys at a school for the deaf. Note that McCann's deputy was Judge William Gardner:

[DA failed to charge Murphy in abuse case, victim says](#)

So, we have...

- Homosexuals
- Pedophiles

- Young male lovers
- Extortion

How did Jeff Dahmer find himself living in an apartment rented by E. Michael McCann? (Remember, this was THREE YEARS before the "serial killer" show started on July 22, 1991.)

Not long after Jeff moves into that apartment, he gets arrested and charged with supposedly molesting Somsack Sinthasomphone, a young man whose family was closely associated with Father Peter Burns, a convicted pedophile.

So, in 1988 Jeff Dahmer very briefly lived in an apartment rented by District Attorney E. Michael McCann - the guy who prosecuted Jeff in 1991. About a month after he moved in, he found himself charged with child molestation.

What's going on here?

McCann's relative Dale who is named on that search has the same eyebrows as him too (check). McCann's wife Barbara conveniently worked as a journalist for the Milwaukee Journal Sentinel,

ran numerous articles on the SK story. My guess is the fake story is a projection of what really happened in that art rented by McCann. Think Lavender Mafia & their lav people

Interesting.

Decades ago, I had a roommate that worked at a restaurant and she used to tell me stories abc the gay manager used to exploit the gay staff. They really had no recourse then because gays were seen as pariahs at that time. She felt sorry for the guys who got exploited.

I also some some of the same in some gay relationships in which the victimized party had little recourse to deal with the abuse.
