Who decides what public records the American public sees? Why should Mugshots remain public record and available to all citizens? Are Mugshot laws unconstitutional?

They used the identity of Ricardo Guerrero (died 1960) and paired it with Reynaldo Guerrero's face to create the "victim".

Here's what Jeff Dahmer said in his confession about Richard Guerrero:

VICTIM RICHARD GUERRERO, DOB: 12/12/65

1) Upon the further statement of the defendant, that in approximately March of 1988 he (the defendant) met a Hispanic male in the Phoenix Bar located on 2nd Street near the 219 Club in the City and County of Milwaukee, State of Wisconsin; he (the defendant) asked this man to come to his residence which at that time was his grandmother's house located at 2357 South 57th Street in the City of West Allis, County of Milwaukee, State of Wisconsin; he asked the man to come to look at videos and take photos or engage in sex and the man came with him; they had oral sex at house and then he drugged the man; while the man was drugged he killed him and dismembered the body and disposed of it completely without keeping any parts; he recalls that he later saw in the personal section of a local newspaper a photo of this victim and a report that he was missing; further the defendant viewed a photograph from the January 7, 1989 Milwaukee Journal of Richard Guerrero, DOB: 12-12-65, and identified this as the person he killed in this incident.

2) Upon the statement of Pablo Guerrero, an adult citizen, that he (Guerrero) is the father of Richard Guerrero and that he has not seen his son since mid March, 1988; at that time he (Pablo Guerrero) reported his son as missing to the Milwaukee Police Department; further that advertisements with his son's picture were placed in local newspapers indicating that his son was missing.

In the video below, you'll see Janie Hagen (San Juanita Guerrero) saying that her brother, Ricardo/Richard Guerrero (died 1960), was killed by Jeff Dahmer. Note the

claim that this was about racism against minorities, etc.

Keep in mind that Lionel and Shari Dahmer appeared on this trash talk show a mere week after Jeff Dahmer was supposedly murdered in prison.

 What Really Happened To Jeff Dahmer?

We have mugshots of an alleged victim taken years after he supposedly died, a death certificate showing that alleged victim Richard Guerrero died in 1960, and Gerald Boyle's bizarre legal decisions. So, this is not what they told us it was. It appears to have been a show trial.

Interestingly, the 'missing persons' ad placed in the Milwaukee Journal, some 10 months after he supposedly went missing, is the same news outlet where the DA McCann's wife Barbara worked as a journalist. This newspaper ran numerous articles about the story..
